

mainly
music

Started in 1993, mainly music is a fun music group for parents or primary care givers to enjoy together with their young child. Throughout the sessions, children develop gross and fine motor skills, language, imagination, mathematical and pre-reading skills as well as socialize with others. Each mainly music is associated with and is run by volunteers from a local church. Children are introduced to music, creativity and more, plus families given a chance to think about the God-part of life. Amazing to think that all this can be achieved in a loving, shared family environment.

Love, that's why

**Why does God
put the rainbow
in the sky?**

**L-O-V-E,
love – that's why**

Why does God
make frogs
jump high?

love – that's why
